STARTING THE YEAR OFF RIGHT!

August/September 2012

Hello!

Letter From Your Editor:

Dear Key Club Members,

On August 22nd, we had our very first meeting after school. It was really great! Thanks to everyone who signed up at open house and showed up to the meeting! It was nice seeing the room fill up! Thank you all for attending!! Hopefully you all will keep showing up and serving for your community! Also just a reminder not to stress over not being able to come to all the meetings! You can ask any of the officers about what you missed out on and we will be happy to inform you! That doesn't mean don't come! As long as you pay your dues, You will still get points for every meeting and all the service events you come to! Remember it takes time to earn lots of points! Don't give up!! If you don't have a car and need a ride to any event please let me know! Call or text me! 580-618-3856

Love,

Your Editor

Have some fun and relax

Winners!

After we do the Key Club pledge, we usually play a game so we can get everyone to wake up, because who wants to stay after school for a meeting, RIGHT? At the last couple of meetings to break the ice and to get everyone to know each other, we played "The hand game" and "Knight, Rider, Princess ". I could tell a lot of people had fun! I want to encourage everyone to participate in the games we play! In fact, I challenge you to hang out with someone you don't know! Have some fun and relax!

Fall Training Conference

On September 22nd, all the Officers attended a Fall Training Conference. These conferences are a lot of fun. They last a couple hours but you get breaks and meet people who are a part of different divisions in Key Club around your town. At our FTC, Key Clubs from Duncan and Davis came to this conference. We played a game against each of the officers, the Lt. Governor picked a topic and you had to name things that related to that topic and we played Knight, Rider, Princess. We learned ways to set goals and achieve them and about our positions as your officers. We also ate FREE food. Everyone should attend one of these someday!

Fall Rally!!

We were all looking forward to fall rally and of course on the day of fall rally it rains! Plus one of our vans broke down.. Since the rain got worse and our van broke down we decided to go shop at the mall to wait for our ride back home and even though it wasn't six flags we still had a blast with our fellow key clubbers :) The trip will be made up later.. Thanks for showing up!! Hope you all had a great time!!
