# Halloween Party

## Costumes!

The Halloween party was a way to celebrate the hard work we accomplished throughout October. We celebrated by having a bonfire where we made smores and ate hot dogs! We played a game called capture the flag the object was to capture the other teams flag. Key Clubbers had a great time! After the game it was time to relax and watch a movie! Thank you all for coming to the party and help decorating!!

## Chamber Banquet

### Cake!

Key clubbers once again participated at the annual Chamber Auction. 11 members volunteered to help at this event with Davis key club. Each person had a specific task. Some served food and drinks to the customers, some handed out dessert cakes, While the rest were working in the kitchen simultaneously by splattering steaks and beans onto the plates. Teamwork makes the task easier to complete! It was a great experience to see the customers enjoying their meal and saying "thank you for the hard work". That's what key club means to lead and to serve.

## KEY CLUB

### Veterans Parade!

#### Sacrifice.

The veterans parade was held throughout the town on Saturday November 10th it was a celebration to honor American veterans for their patriotism, love of country and willingness to serve and sacrifice for the common good. Key clubbers met up by Calvary Baptist church to push vets throughout the parade, where they passed out candy and were recognized for serving for our country. This was a wonderful experience knowing we can serve for them without doing anything big but just by being there! Thanks to everyone who volunteered in the parade!!

"As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them." -John Fitzgerald Kennedy

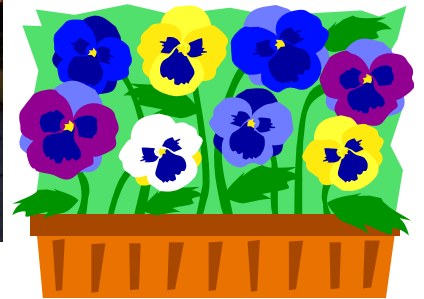

## Planting flowers

Key Clubbers gather around for a quick photo!

**"When we first got there we went to the director of the place and she was just radiating with happiness. We got the plants set out and got all of our supplies and got started. We turned up the dirt and planted pansies in the flower beds and a few other places on the campus. At this veterans center, the veterans like to sit outside and when they came out they were all excited to see us and they were all interested in what we were doing. It didn't feel like hard work at all, planting the flowers just felt like something so small in comparison for what they sacrificed for us." - Daisy Borders**

# Ronald McDonald House Charities

## Division 20 Project!

The mission of the Ronald McDonald House Charities (RMHC) is to create, find and support programs that directly improve the health and well being of children.
